Alcohol, Other Drugs, and Behavior: Psychological Research Perspectives

By John R. Jung

Providing a psychological perspective on the use and abuse of alcohol and other psychoactive drugs, this **Second Edition** includes more coverage of the theories of alcohol and other drug use and abuse, as well as broad conceptual issues related to the nature of addiction and recent developments in research methods.

Key Features

- Focuses on alcohol, which is used more widely than any other drug, and the one that is associated with the most societal harm
- Evaluates important studies on major issues, concepts, and theories rather than providing exhaustive literature reviews
- Teaches students to become educated consumers of research findings, rather than passive or uncritical recipients

Ancillaries

- A **Student Study Site** at www.sagepub.com/jungstudy with chapter summaries, multiple-choice quizzes, flashcards for glossary items, an annotated list of relevant Web sites, informational QuickTime movies, and SAGE journal articles.
- A **password protected Instructor's Resource Site** at www.sagepub.com/jung2einstr includes PowerPoint slides and test questions.

Intended Audience

This text is appropriate for upper-level undergraduate courses in Drugs and Behavior, Psychology of Addiction, and Drug Abuse Counseling. It can also be used in graduate-level courses in Drugs and Behavior and Addiction courses taught in health science, social work, criminal justice, and nursing.

Editorial Review

Review

"Excellent text for covering alcohol and other drugs of abuse." (Josie McDonald 2009-09-21)

It remains the best I have run across for teaching an undergrad class about alcohol from a psychology perspective. (William H. George 2014-04-29)

Users Review

From reader reviews:

Heather Goodson:

Do you have favorite book? In case you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each reserve has different aim or goal; it means that book has different type. Some people truly feel enjoy to spend their time to read a book. They can be reading whatever they get because their hobby is actually reading a book. Consider the person who don't like examining a book? Sometime, man feel need book once they found difficult problem or exercise. Well, probably you will need this Alcohol, Other Drugs, and Behavior: Psychological Research Perspectives.

Gregory Holloman:

What do you regarding book? It is not important together with you? Or just adding material when you require something to explain what your own problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. They must answer that question since just their can do which. It said that about guide. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need that Alcohol, Other Drugs, and Behavior: Psychological Research Perspectives to read.

Carrie Francis:

This Alcohol, Other Drugs, and Behavior: Psychological Research Perspectives book is simply not ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is definitely information inside this publication incredible fresh, you will get facts which is getting deeper anyone read a lot of information you will get. This particular Alcohol, Other Drugs, and Behavior: Psychological Research Perspectives without we know teach the one who examining it become critical in considering and analyzing. Don't end up being worry Alcohol, Other Drugs, and Behavior: Psychological Research Perspectives can bring when you are and not make your tote space or bookshelves' turn into full because you can have it within your lovely laptop even cell phone. This Alcohol, Other Drugs, and Behavior: Psychological Research Perspectives having fine arrangement in word as well as layout, so you will not really feel uninterested in reading.

Hoa Gilkey:

This Alcohol, Other Drugs, and Behavior: Psychological Research Perspectives is fresh way for you who has attention to look for some information since it relief your hunger details. Getting deeper you upon it getting knowledge more you know otherwise you who still having bit of digest in reading this Alcohol, Other Drugs, and Behavior: Psychological Research Perspectives can be the light food for you personally because the information inside that book is easy to get by means of anyone. These books produce itself in the form which is reachable by anyone, sure I mean in the e-book application form.
