Dirty Girl (Dirty Girl Duet, Book 1) By Meghan March

[Read by Elena Wolfe and Sebastian York]

From *USA Today* bestselling author of hot romance comes the first book in the Dirty Girl Duet series.

Desperately seeking rich, famous, single guy with a giant c-ock to make my lying, cheating, should've-been-born-dick-less ex-boyfriend realize what he's just lost.

Oh, and I give great head. Just sayin'.

No man in his right mind would answer that ad.

Except thousands did.

My name is Greer Karas, and I should never be allowed near another bottle of booze again. Because when I drink, my friend and I do stupid things. Like take a page out of my older brother Creighton's playbook and post something completely asinine on the Internet. Waking up with a giant hangover to find my humiliating personal ad has gone viral is not my finest moment.

Cue my look of shock when one of Hollywood's hottest new bad boys, Cavanaugh Westman, comes knocking at my door and drops his pants to prove that he does indeed have a giant c-ock.

What he doesn't have is an explanation for why he disappeared from my life without a word three years ago, only to show up on the big screen two years later, killing bad guys in action flicks.

And now he wants me again.

What the hell do I do now?

Editorial Review

About the Author

Meghan March has been known to wear camo face paint and tromp around in woods wearing mud-covered boots, all while sporting a perfect manicure. She's also impulsive, easily entertained, and absolutely unapologetic about the fact that she loves to read and write smut. Her past lives include slinging auto parts, selling lingerie, making custom jewelry, and practicing corporate law. Writing books about dirty talking alpha males and the strong, sassy women who bring them to their knees is by far the most fabulous job she's ever had.

Users Review

From reader reviews:

Jimmy Martinez:

Why don't make it to become your habit? Right now, try to prepare your time to do the important take action, like looking for your favorite guide and reading a e-book.
