Stepbrother Fallen By Aya Fukunishi

****A Stand-Alone Full Length Stepbrother Romance with NO cliffhanger and an HEA****

Everything is going great for Madison Moriarty. She's got nice parents, good friends, and she's headed to UCLA at the end of the summer, the first step on an exciting journey towards becoming a world famous author just like her late father.

OK, so she may dress like she survived an explosion at an uptight, buttoned up Martha's Vineyard branch of Tommy Hilfiger, but she's a *good girl*, damn it, from her boring top-siders to her preppy sweaters right down to her stupid My Little Pony laundry day panties.

Rafe Stone... well, Rafe Stone is an *asshole*, and he's going to fucking *jail*. That's what happens when you steal your foster parents' Camry and drive it halfway across Colorado, the passenger seat strewn with empty beer cans and a homemade bong. He's been lucky so far, but this time the judge won't be satisfied with a slap on the wrist... unless Maddy's stepfather takes him in.

This is what happens when two worlds collide.

This is what happens when a nice, polite little princess gets thrown in with the stepbrother she never knew she had, a tattooed thug with a tight t-shirt, torn jeans, a pack of smokes and a bad attitude.

This is a story of love, hate and David Fucking Bowie.

You're gonna love it.

Editorial Review

Review

PRAISE FOR STEPBROTHER FALLEN

"...it was very well written, it was witty and it was a complete and total surprise of the best kind. This story is a great example of not judging a book by its cover, or in this case title. The author advises in the blurb, "You're gonna love it," and I did, I really, really did!" -- Red Cheeks Reads

"I was really surprised when I read this book. I have to admit it's my first by this author and she blew me away. She is a very talented writer and the book has a flow. I do recommend reading it but only to adults because of the theme and all. It's a hot read!!!!" -- Book Junkie

"The story is exciting, well written, heartwarming, heartbreaking, romantic and arousing. The dialogue is intelligent and flows smoothly. The characters are well developed, captivating, endearing and engaging. Fukunishi does a brilliant job of artfully crafting these elements into a unique and entertaining read." -- Judy Lewis

"... but before I knew it I'd reached the final page and had a big smile on my face. It's a lovely, compelling and fast-paced story that grabs hold and doesn't let go for a second." -- BookLuvr
