The God of Hope By Randall E. Otto

Jurgen Moltmann's messianic trinitarianism is widely regarded as the theoretical foundation for much of contemporary liberation theology. Having entered radically into the terms involved in the dialectical structure of Moltmann's thought, *The God of Hope* concludes that Moltmann's "God" is an unreal and unrealizable symbol of human community eschatologically projected in conjunction with revisionist Marxist Humanism. **Contents:** Introduction; The Modern Problem of God; God and History; God and Eschatology; God and the Cross of Jesus; God and the Resurrection of Christ; God and the Trinity; God and the Phenomenological Community of Man.
