## The New One-Page Project Manager: Communicate and Manage Any Project With A Single Sheet of Paper By Clark A. Campbell, Mick Campbell

### How to manage any project on just one piece of paper

*The New One-Page Project Manager* demonstrates how to efficiently and effectively communicate essential elements of a project's status. The hands of a pocket watch reveal the time of day without following every spring, cog, and movement behind the face. Similarly, an OPPM template reduces any project—no matter how large or complicated—to a simple one-page document, perfect for communicating to upper management and other project stakeholders. Now in its *Second Edition*, this practical guide, currently saving time and effort in thousands of organizations worldwide, has itself been simplified, then refined and extended to include the innovative AgileOPPM™.

- This *Second Edition* will include new material and updates including an introduction of the ground-breaking AgileOPPM™ and an overview of MyOPPM™ template builder, available on-line
- Includes references throughout the book to the affiliated sections in the Project Management Body of Knowledge (PMBOK®)
- Shows templates for the Project Management Office (PMO)

This new and updated *Second Edition* will help you master the one-page approach to both traditional project management and Agile project management.
