And Then I Found You: A Novel By Patti Callahan Henry

Kate Vaughan is no stranger to tough choices.

She's made them before. Now it's time to do it again.

Kate has a secret, something tucked away in her past. And she's getting on with her life. Her business is thriving. She has a strong relationship with her family, and a devoted boyfriend whom she wants to love with all her heart. If Kate had ever made a list, Rowan would fill the imagined boxes of a perfect mate. But she wants more than the perfect on paper relationship; she wants a real and imperfect love. That's why, when Kate discovers the small velvet box hidden in Rowan's drawer, she panics.

It always happens this way. Just when Kate thinks she can love, just when she believes she can conquer the fear, she's filled with dread. And she wants more than anything to make this feeling go away. But how?

When the mistakes have been made and the running is over, it's time to face the truth. Kate knows this. She understands that a woman can never undo what can never be undone. Yet, for the first time in her life she also knows that she won't fully love until she confronts those from her past. It's time to act.

Can she do it? Can she travel to the place where it all began, to the one who shares her secret? Can the lost ever become found?

And Then I Found You gives new life to the phrase "inspired by a true story." By travelling back to a painful time in her own family's history, author Patti Callahan Henry explores the limits of courage, and the price of a selfless act.

Editorial Review

From [Booklist](#)

A Patti Callahan Henry (Coming Up for Air, 2012) story can be counted on to contain one or more of the following: secrets from the past, lost love, and a damaged heroine who keeps others at arm's length. Her latest novel sticks true to form, with a twist—Henry drew inspiration from her own sister's true-life story. In the fictional version, the secret harbored by Kate, owner of an upscale boutique, is that she gave a baby girl up for adoption when she was young. This is news only to Kate's current boyfriend, Rowan, who's about to propose marriage. Before she can commit, Kate needs to find closure with Jack, the father of her child and the love of her life. When her daughter, now a teenager, manages to track Kate down, the situation grows more complicated. Henry instills her characters with precisely the complex emotions and erratic behavior one would expect in the situation. Though she presents an idealized outcome, Henry does effectively convey how such reunions are tinged with equal parts elation and fear. --Patty Wetli

Review

"AND THEN I FOUND YOU is as authentic as it is riveting and ultimately unforgettable. Your past will find you--and it can change your life. I think it's the most soulful book she's ever written."

--Dorothea Benton Frank, author of "Porch Lights

""In "And Then I Found You" Patti Callahan Henry explores the labyrinth of a woman's heart--mother, daughter, sister, friend, lover. Moving and beautifully written." --Mary Alice Monroe, author of "Beach House Memories"

"Patti Callahan Henry has a singular gift---she can connect her characters so deeply to the natural world. She leads Katie Vaughn by moonlight, with a touch as light and deft as a white feather, unafraid to plunge her into the deepest sorrows so that she can emerge changed and beautiful. You can't help but root for Katie. AND THEN I FOUND YOU is Henry at her best, brimming with heart and compassionate wisdom." -- Joshilyn Jackson, "New York Times" bestselling author of "A Grown Up Kind of Pretty

""Patti Callahan Henry asks the big, equivocal questions about what it means to be a mother, a child, a family, and the answers she finds in AND THEN I FOUND YOU will surprise you, provoke you, and rearrange your heart." --Jacquelyn Mitchard, author of "The Deep End of the Ocean" and "What We Saw at Night"

"A touching story" --"Kirkus"

About the Author

Patti Callahan Henry is a full-time writer, wife and mother and the New York Times bestselling author of seven novels with Penguin/NAL, including The Art of Keeping Secrets, Driftwood Summer and The Perfect Love Song: A Holiday Story. She lives with her husband and three children outside Atlanta on the Chattahoochee River, where she is working on her next novel.

Users Review

From reader reviews:

James Bass:

Why? Because this *And Then I Found You: A Novel* is an unordinary book that the inside of the book waiting for you to snap that but latter it will shock you with the secret the item inside. Reading this book alongside it was fantastic author who else write the book in such wonderful way makes the content inside of easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of gains than the other book possess such as help improving your proficiency and your critical thinking method. So , still want to postpone having that book? If I were being you I will go to the publication store hurriedly.

Gale Kizer:

Beside this specific *And Then I Found You: A Novel* in your phone, it can give you a way to get more close to the new knowledge or facts. The information and the knowledge you are going to got here is fresh from the oven so don't be worry if you feel like an older people live in narrow village. It is good thing to have *And Then I Found You: A Novel* because this book offers to your account readable information. Do you occasionally have book but you would not get what it's facts concerning. Oh come on, that wil happen if you have this in your hand. The Enjoyable set up here cannot be questionable, just like treasuring beautiful island. Use you still want to miss the idea? Find this book and also read it from now!

Glenn Stops:

In this particular era which is the greater person or who has ability to do something more are more special than other. Do you want to become certainly one of it? It is just simple approach to have that. What you need to do is just spending your time little but quite enough to experience a look at some books. One of the books in the top collection in your reading list is *And Then I Found You: A Novel*. This book that is qualified as *The Hungry Hills* can get you closer in growing to be precious person. By looking way up and review this guide you can get many advantages.

Hattie Robb:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this *And Then I Found You: A Novel* can make you truly feel more interested to read.
