#### From the Author

I love writing the MacGruder brother's series, I'm fascinated about the history of the era and those who lived in medieval Scotland. I hope you enjoy the stories of the MacGruders and their family set during Scotland's fight for independence.

#### About the Author

A retired Navy Chief, Diana Cosby is an international bestselling author of Scottish medieval romantic suspense. Her award-winning books are available in five languages. Diana has appeared at Lady Jane's Salon, in NYC, and in Woman's Day, on USA Today's romance blog, "Happily Ever After," MSN.com, and in Texoma Living Magazine.

After retiring as a Navy Chief, AGC(AW), Diana dove into her passion - writing romance novels. With 34 moves behind her, she was anxious to create characters who reflected the amazing cultures and people she's met throughout the world.

Her years of living in Europe inspired Diana to write in the medieval time frame. After watching Braveheart and with her passion for writing complex plots, the idea for the MacGruder brothers series was born.

Diana has many passions in life, but one that resonates in her life is that of giving. She firmly believes that each of us can make a positive difference in another person's life. Charities she supports are listed below:

- The National Trust for Scotland, which acts as guardian of Scotland's magnificent heritage of architectural, scenic and historic treasures.
