## The Ownership of All Life : Notes on Scandals, Conspiracies and Coverups

By Jon Rappoport

What Is Behind Mega-Corporation And Their Activities?

Jon Rappoport removes the mask from gigantic corporate strategies and reveals their underlying ambitions: not only control of vast material power but the owning of life process themselves, literally making the planet a commodity. From media scandals to government collusion and cover-up, from sterilization vaccines to genetically engineered patented food crops, from an epidemic of medical malpractice resulting in widespread death to fraudulent AIDS research, these notes provide a picture of global takeover by modern pirates whose front is complete respectability and "concern for human life." Read this expose of the big lie.
