### Viking Tales Jennie Hall

A sparkling account of Viking adventures, culture, and religious beliefs, which is focused around the story of Harald Fairhair, first king of Norway (c. 850 – c. 932), but also draws upon the Sagas and other sources to produce a highly satisfying—and entertaining—view of Viking life.

The first section tells of Harald's wild youth and the power struggle which led to the unification of Norway and his ascension to the throne—an event which sparked off a renewed wave of Viking invasions as dissidents left Norway to create new settlements in France, Greenland, Iceland, and elsewhere.

The second section tells the fascinating stories of Eric the Red and Leif Ericsson, and their adventures in “Wineland” in North America.

Along the way, the narration reveals many details of Viking culture, religion, and lifestyles, including their approach to war, peace, women, societal organization, life after death, and much more. Finally, it ends with a Norse pronunciation guide and suggestions for deeper reading.

This is a perfect introduction to the age of Vikings, their adventures and beliefs, and is suitable for all ages.

This new edition has been completely reset, but retains the beautiful and intricate illustrations and page decorations from the original.

### Contents

### Editorial Review

### Users Review

#### From reader reviews:

#### Christopher Palmer:

Spent a free time to be fun activity to perform! A lot of people spent their down time with their family, or their friends. Usually they doing activity like watching television, gonna beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? Can be reading a book is usually option to fill your no cost time/ holiday. The first thing that you will ask may be what kinds of publication that you should read. If you want to try look for book, may be the guide untitled Viking Tales can be good book to read. May be it can be best activity to you.

#### Abel Cooke:

As we know that book is significant thing to add our expertise for everything. By a guide we can know everything we want. A book is a pair of written, printed, illustrated as well as blank sheet. Every year had been exactly added. This e-book Viking Tales was filled in relation to science. Spend your spare time to add your knowledge about your research competence. Some people has different feel when they reading the book. If you know how big selling point of a book, you can truly feel enjoy to read a publication. In the modern era like right now, many ways to get book which you wanted.

#### Robert Mayo:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Viking Tales can make you sense more interested to read.

#### Glory Ruiz:

Reading a guide make you to get more knowledge from this. You can take knowledge and information from a book. Book is published or printed or illustrated from each source that will filled update of news. In this particular modern era like at this point, many ways to get information are available for you. From media social just like newspaper, magazines, science book, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you hip to spend your spare time to open your book? Or just trying to find the Viking Tales when you necessary it?
