Visceral Manipulation (Revised Edition) By Jean-Pierre Barral, Pierre Mercier

Osteopathy and other systems of manual medicine have developed a variety of models for understanding the mechanics of proper and improper motion of the musculoskeletal system. In this important and pioneering work, that same structural vision is applied to the visceral system. The central premise of *Visceral Manipulation* is that the interrelationship of structure and function among the internal organs is at least as strong as that among the constituents of the musculoskeletal system; and that, like the musculoskeletal system, manipulation of the viscera can be beneficially used in the treatment of a wide variety of problems affecting any of the body's systems. In this revised edition, over a hundred-and-thirty new illustrations and photographs, many of them in two colors, graphically depict the ideas in the text. Minor updates have also been made to the original text.

Editorial Review

About the Author

Jean-Pierre Barral, D.O. (U.K.) is a graduate of the European School of Osteopathy in Maidstone, England. A well-known clinician and teacher in his native France and throughout Europe, he has authored and contributed to many osteopathic textbooks. His works in English include *Visceral Manipulation* (with Pierre Mercier, D.O.), *Visceral Manipulation II*, *The Thorax*, *Urogenital Manipulation*, *Manual Thermal Evaluation* and most recently, *Trauma: An Osteopathic Approach*. Dr. Barral has taught widely in Europe, the United States, Australia, and Japan. He maintains a private practice of osteopathy in Grenoble, France. Pierre Mercier, D.O. practices osteopathy in Oyonnax, France.

Users Review

From reader reviews:

Raymond Roth:

The book *Visceral Manipulation (Revised Edition)* give you a sense of feeling enjoy for your spare time. You can use to make your capable a lot more increase. Book can to be your best friend when you getting stress or having big problem with your subject. If you can make looking at a book *Visceral Manipulation (Revised Edition)* being your habit, you can get far more advantages, like add your own capable, increase your knowledge about a few or all subjects. You can know everything if you like open and read a e-book *Visceral Manipulation (Revised Edition)*. Kinds of book are a lot of. It means that, science reserve or encyclopedia or other individuals. So , how do you think about this book?

James Crow:

Your reading sixth sense will not betray a person, why because this *Visceral Manipulation (Revised Edition)* publication written by well-known writer who knows well how to make book that could be understand by anyone who also read the book. Written in good manner for you, leaking every ideas and publishing skill only for eliminate your own personal hunger then you still uncertainty *Visceral Manipulation (Revised Edition)* as good book not merely by the cover but also by content. This is one book that can break don't determine book by its deal with, so do you still needing an additional sixth sense to pick that!? Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.

Charles Wright:

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really

wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Visceral Manipulation (Revised Edition) can make you experience more interested to read.

Joseph Fulkerson:

What is your hobby? Have you heard in which question when you got college students? We believe that that problem was given by teacher to the students. Many kinds of hobby, All people has different hobby. And you know that little person including reading or as looking at become their hobby. You must know that reading is very important in addition to book as to be the thing. Book is important thing to provide you knowledge, except your teacher or lecturer. You find good news or update in relation to something by book. Numerous books that can you choose to use be your object. One of them is niagra Visceral Manipulation (Revised Edition).
