## Augustine and the Catechumenate By William Harmless SJ

As one of the most influential thinkers in Christian history, St. Augustine (354–430) had a flair for teaching and meditated deeply on the mysteries of the human heart. This study examines a little-known side of his career: his work as a teacher of candidates for baptism.

In the revised edition of this seminal book, both the text and notes have been revised to better reflect the state of contemporary scholarship on Augustine, liturgical studies, and the catechumenate, both ancient and modern. This edition also includes new findings from some of the recently discovered sermons of Augustine and incorporates new perspectives from recent research on early Christian biblical interpretation, debates on the Trinity, the evolution of the liturgy, and much more.

This reconstruction of Augustine's catechumenate provides fresh perspectives on the day-to-day life of the early church and on the vibrancy and eloquence of Augustine the preacher and teacher.

## Editorial Review

### Review

This study of the ancient catechumenate in the first edition was already helpful to many people who were working for the initiation of new Christians because it provided a way to see the practical pastoral reality of their work from the point of view of another culture in another time. This revision has benefitted not only from many reviewers' comments about that first edition but also from more than twenty years of Bill's teaching, preaching, discussing, and celebrating the sacraments of initiation.

-From the foreword by Allan Fitzgerald, OSA

"Harmless has once more produced a very readable descriptive history with broad appeal that is of value to experts but deliberately written in a style that is accessible to nonspecialists."

Paul R. Kolbet, *Catholic Historical Review*

"This landmark book is a mini-course in why catechumenate remains so promising for the Church's future. It should be in the hands of all responsible for shaping initiation ministry."

Michael Cameron, associate professor at the University of Portland, *Pastoral Liturgy*

"Harmless has scoured the corpus of Augustine to find every scrap of evidence useful for understanding his catechumenate; these sources are summarized in a series of helpful charts, enabling the interested reader to delve easily into the original texts themselves. Bill was a master teacher; that skill is evident in this book not least of all in the clarity of his exposition and in the pedagogical care with which the material is presented."

Mark DelCogliano, University of St. Thomas, St. Paul, Minnesota, *American Benedictine Review*

### From the Back Cover

St. Augustine (354-430), a theologian whose views and controversies shaped the course of Christianity in the West, was also a struggling North African pastor who had a flair for teaching and who meditated deeply on the complexities of the human heart. This study examines a little-known side of Augustine; his work as a teacher of candidates for baptism. It reconstructs the experience of the ancient catechumenate. The portrait is relevant to all those involved with the RCIA pastors, DREs, catechists, liturgists.

### About the Author

William Harmless, SJ (1953–2014), was professor of historical theology and patristic studies at Creighton University. His other books include *Desert Christians: An Introduction to the Literature of Early Monasticism*, *Augustine in His Own Words*, and *Mystics*.

## Users Review

### From reader reviews:

#### Dennis Stclair:

What do you with regards to book? It is not important along? Or just adding material when you require

something to explain what your own problem? How about your extra time? Or are you busy individual? If you don't have spare time to perform others business, it is make one feel bored faster. And you have spare time? What did you do? Every individual has many questions above. They must answer that question due to the fact just their can do in which. It said that about publication. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this specific Augustine and the Catechumenate to read.

### **Catherine Taylor:**

Reading a book tends to be new life style with this era globalization. With examining you can get a lot of information that may give you benefit in your life. Having book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only situation that share in the guides. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors nowadays always try to improve their talent in writing, they also doing some study before they write on their book. One of them is this Augustine and the Catechumenate.

### **Richard Eby:**
