Conspiracy 365 Complete 17 Hardback Book Set (Jan-Dec, Revenge, Malice, Missing, Hunted, Endgame) By Gabrielle Lord

Complete hardback set of all 17 books in the series ("January" thru "December" PLUS the sequels Revenge, Malice, Missing, Hunted, Endgame). On New Year's Eve, Cal is chased down the street by a staggering, sick man with a deadly warning... "They killed your father. They'll kill you. You must survive the next 365 days." Hurling into a life on the run the 15-year-old fugitive is isolated and alone. Hunted by the law and ruthless criminals, Cal must somehow uncover the truth about his father's mysterious death and a history-changing secret. Who can he turn to, who can he trust, when the whole world seems to want him dead? The clock is ticking. Any second could be his last. Callum Ormond has been warned. He has 365 days. The countdown has begun... 12 books. 12 months. "Readers will be drawn into this series' suspenseful plot and want to keep reading to discover along with Cal what his father had learned before his death." Oneota Reading Journal (2010) "The Conspiracy 365 series is quite possibly one of the best series books for young adults on the market today. The books are relatively short, and they are very quick reads. This makes it a perfect series for the over-scheduled teens of today who want that instant gratification they can more often find on the computer and in video games. The non-stop action in Conspiracy 365 will grab the reader instantly and not let go until December 31st! Reluctant readers will be inspired to read - and they won't just be inspired for one book, but rather for twelve. This series could easily take a reluctant reader, and by the end of the twelfth book, turn him into an avid reader. It is a series that would be enjoyed by boys and girls alike, and it has characters that continue to grow and deepen in each book." - Book Trends, July 14, 2010 "Several factors make this book a top choice for reluctant readers, including the nonstop action, the small trim, the short length and the amount of white space on the pages." - Kirkus Reviews 12/01/09
