### Editorial Review

From School Library Journal

Gr 9 Up—On the outside, 19-year-old Lou Shepherd is transitioning smoothly into college life. She's made a new best friend and even has a crush on a hot guy named Christian, whom she repeatedly runs into around town. Behind her normal facade, though, Lou is hiding some painful truths. She is operating under a false identity. Additionally, her family recently was the object of high-profile scrutiny, leaving her beloved uncle in jail and her cousin in a coma. When things start to heat up with Christian, she realizes that everyone around her is not what they seem and she might not be the only one with secrets. Though filled with surprising twists and turns, this narrative is riddled with loose threads, making the final chapters cluttered and unbelievable. The protagonist is understandably emotionally driven and changeable, but she often comes off as volatile and out of control. The secondary characters, however, add depth and ground Lou throughout, managing at times to steal the show. Purchase only where suspense novels fly off the shelves.—Morgan Brickey, Marion County Public Library System, FL

Review

"[Protagonist] Lou's evenly paced narration is Hollywood-script-ready. . . . [A] gripping whodunit."
