Mind Benders Book 1 (Grades PreK-K) By Michael Baker

Mind Benders, our best-selling deductive thinking puzzles, develop the logic, reading comprehension, and mental organization skills vital to achieving higher grades and top test scores in all subjects. They're also great for developing real-life, problem solving skills.

Students carefully analyze each Mind Benders story and its clues, identifying logical associations between people, places, and things. The key is to start with the most obvious associations, then deduce less obvious associations until everything finally fits together.
