2 Books in 1!

- Q&A Course Review
- NCLEX prep

Assure your mastery of pediatric nursing knowledge while improving your critical-thinking and test-taking skills. An easy-to-follow format, organized by body system, parallels the content of your course, topic by topic. The result is pediatric content made manageable.

Over 1,000 NCLEX-style questions on pediatrics and growth and development—in the text and online at *DavisPlus*—build your confidence. Rationales for both correct and incorrect answers as well as test-taking tips help you critically analyze the question types. You'll also find a 100-question comprehensive exam in the text to assess your progress.

Gain additional practice with two final exams online at *DavisPlus*. Redeem the *Plus Code* inside new, printed texts to access this *DavisPlus* resource.

What instructors and students are saying about the Success Series:

“I have always used the Success series and have always done well on my HESIs because of how much those books have prepared me.”

– Carly Hasting, President of Alabama Association of Nursing Students, Student at University of Alabama in Huntsville

“Love the outlines. Questions are good but outlines are really helpful. I love the colorful pictures too.”

– Chentile Goodman, Student at College of Southern Nevada, NV

“We have used your products for students to help increase critical thinking skills, prepare for NCLEX and course exams, and for review of nursing content. We recommend students purchase the Success Series and review the content and questions for remediation and to enhance nursing knowledge. The terminology at the beginning of each chapter provide key terms for the students to review before answering questions. The books are all encompassing in regards to what students need to review across the curriculum. We love them!!”

– Louise Outlaw, Instructor at Brown Mackie College, St.Louis
