By Darren Hardy

66 PERCENT OF SMALL BUSINESSES FAIL--AND IT'S NOT FOR THE REASONS YOU THINK.

WHY DO THEY FAIL?

That is what SUCCESS Publisher Darren Hardy set out on a mission to discover.

What he found was startling. All the previously reported reasons and assumptions for the failure rate (capital, location, credit, inventory management, and competition) were wrong.

Failure was not due to outside factors--they were internal. They weren't economic--they were emotional. The unexpected and terrifying emotional roller coaster an entrepreneur experiences is the greatest factor in why most quit and ultimately fail.

BUT IT DOESN'T HAVE TO BE THAT WAY.

The Entrepreneur Roller Coaster: Why Now Is The Time To #JoinTheRide, will prepare you for the wild ride of entrepreneurship. It will warn you (of forthcoming fears, doubts, and the self-defeating conditioning of your upbringing and past), inoculate you (from the naysayers, dream-stealers, and pains of rejection and failure), and guide you (as you build those under-developed skills of independence, self-motivation, and self-accountability) safely past the landmines that blow up and cause the failure of 66 percent of all new businesses.

You will learn the best strategies Darren has ever collected from the most successful people on the planet, covering the four essential skills necessary for entrepreneurial success: Sales, Recruiting, Leadership, and Productivity.

This book is for you if:

You've dreamed of having your own business but have a fear of the unknown.

You've stayed on the sidelines of entrepreneurship, not knowing what to expect or what to do.

You're already on board as an entrepreneur, but you want to ensure you re a

success and not a statistic.

About the Author

Darren is just like you. He started out afraid, nervous, and without a clue on what to do or what to expect as an entrepreneur. He had no experience, training, or guidance. He did it mostly wrong, which is how he figured out how to do it right. His life has been a living laboratory of trial, error, failure, and success. Darren wrote this book to help save you lots of unnecessary pain and to significantly accelerate your success--by helping you do it right the first time!

Through his first "real" business, Darren was earning a six-figure annual income at age nineteen. Five years later, he was a self-made millionaire, and by twenty-seven, he had a business generating over \$50 million in revenue.

For the past two decades, Darren has been a business leader in the success and human achievement industry. Today he is the visionary force behind SUCCESS magazine as its Publisher, giving him unique and unprecedented access to interview, study, and draw out the insights of the most successful achievers on the planet, including people like Richard Branson, Martha Stewart, Steve Jobs, Warren Buffett, Donald Trump, Anne Sweeney, Howard Schultz, Jeff Bezos, and many, many more. This has allowed him to uncover their unique secrets to success, which he now shares to empower entrepreneurs around the world.

Darren also mentors many of today's high-performing CEOs, advises large corporations, and sits on the board of several companies and nonprofit organizations. He is a New York Times best-selling author, media contributor, and highly sought-after keynote speaker.
