Editorial Review

From Publishers Weekly

Published in time for the first anniversary of Johnny Cash's death, this eminently readable biography of the Man in Black feels more honest about its subject than most authorized biographies, perhaps because Cash himself was more honest about his flaws and modest about his successes than many other public figures. Musical biographer Turner (*Conversations with Clapton*, etc.) leans heavily on interviews with Cash fans such as Larry Gatlin and Kris Kristofferson (who pens the foreword) and on quotations from songs Cash wrote, sang or both. The result is an affecting mosaic of oral history, poetry and memoir—concerning Cash himself, but also the era in which his music took root and thrived. Turner addresses Cash's drug and alcohol abuse, his failed marriage and his love for June Carter Cash with sympathy and fairness; he doesn't flinch from talking about how Cash's affair with June hurt his first wife, or about his struggle and relapses during his recovery from addiction. But something about this book seems one degree removed. Turner's interviews with Cash's family and friends are excellent, and tidbits such as Cash's reasons for wearing the famous black are priceless, but at times it feels like Turner is just guessing, as we all must, how this American legend really felt and what his life was like.

Review

"Johnny Cash's storytelling songs, revealing a mix of faith and worldly temptations, have a power that has spanned generations, influencing both rock and country musicians. (Audiobook narrator) Rex Linn does a good job reading this often-compelling biography . . . an interesting portrait of the man behind the music."

--**AudioFile**

"(Audiobook narrator) Linn's deep, gravelly voice, which mirrors Cash's own voice, is perfect for the narration . . . For Cash fans and fans of country and rock music, this will have great appeal." --*Kliatt*

From the Inside Flap

One of the most influential figures in music and American pop culture, Johnny Cash was an icon to people of all ages. In *The Man Called CASH*, Steve Turner explores the legacy left by the man in black. With unflinchingly honesty, this biography reveals Cash anew, taking a candid look at the spiritual depth of the man who lived life as rough and gritty as his famous voice.

Cash's rise to stardom skyrocketed in the 1950's. Drug addictions, fits of rage, and shattered relationships marked his performances as a country singer. His craggy voice and haunting songs created music the world had never heard before. He was unafraid to explore the darkness within himself, and his lyrics shone with poetic depth. Delivered in a simple, direct style, Cash's rough-hewn music mesmerized the young and the old alike.

Born to a devout Christian mother and a father prone to dark, destructive moods, Cash grew up in poverty and knew hardships. But his mother helped him nurture his music as well as his faith in God. She taught him to use his musical talent for the Lord—a conviction that kept Cash going during the darkest days in his life.

While this book chronicles the details of this unforgettable musician's life—including his brushes with the law—Turner turns his keen pen toward unmistakable evidence of Cash's deep, enduring faith in God as well as his humble, unpretentious love for his family and his wife, June Carter Cash.

Whether you're one of the millions of Johnny Cash fans, a fellow Christian, or a pop culture aficionado, *The Man Called CASH* will inspire you with its heartfelt story of faith, hope, and redemption.

Users Review

From reader reviews:

Shameka Nye:
