This is the perfect full-color, hands-on, easy tutorial for LEGO Worlds, the world's most exciting new toys-to-life game! Packed with boldly-labeled in-game pictures, it's designed for every player - including young players who find most how-to books too complicated. It's also perfect for parents who want to understand LEGO Worlds and help their kids succeed with it.

The Ultimate Player's Guide to LEGO Worlds guides you through every part of LEGO Worlds: setup, rules, characters, navigation, gameplay, strategies, expansion, and more. More than a book, its "traveler's notebook" format even contains room for players to enter their own discoveries, plan their own travels, and display their own pictures from the game.

Playful and informal, this guide covers all aspects of the LEGO Worlds experience. It's packed with engaging "Postcards" from each LEGO Worlds "biome" - from its western cowboy world to outer space. Each Postcard contains a mix of:

- **Must See!** areas all players should visit, either because they'll get something or encounter an important character in the game
- **Must Do!** projects and tasks, including exclusive projects crafted by the author
- **Must Ride!** information on LEGO Worlds' vehicles and animals
- **Must Meet!** characters every player needs to know about
- **Creature Feature!** insights into the game's many friendly and unfriendly creatures
- **Take a Friend!** sidebars focused on multiplayer activities, projects, and features

By the time you're done, you'll be a LEGO Worlds pro: ready to create whatever your heart desires and your imagination can conjure up!
