A Torchlight for America By Louis Farrakhan

This book represents some of the guiding principles taught to us by the Honorable Elijah Muhammad. This man and his teachings have been responsible for transforming the lives of millions of black men and women, many of whom this society has rejected as incorrigible, irredeemable, irreformable, irretrievable, hopeless and lost. Yet, the Honorable Elijah Muhammad, with the Word of Allah (God), has been able to initiate the process of our salvation, redemption and resurrection, which continues to this day.... This book is humbly submitted as a torchlight for guiding the country out from its present condition toward a more peaceful and productive society in which mutual respect governs the relations between the diverse members of America. --- excerpts from book's Preface
