Alpha Champion (Wolf Protectors) (Volume 1) By Terry Bolryder

Lily Mason is tired of her father's machinations. Seven years ago he tore her away from the love of her life because he was only half alpha. Now he's holding a tournament where full blooded alphas will fight to claim her. She doesn't want any part of it, but if she runs, her little sister takes her place. Lily's ready to give up on her own happiness, until a familiar face appears amongst the contestants fighting to win her.

Lucas Vale doesn't care that the tournament is for full-alphas only. He's determined to use his brother's name and invitation to make sure that no other male gets close to his mate. He's been looking for Lily for years, ever since her father separated them as teens. But Lucas isn't a lovesick teen anymore. He's a world champion fighter who is ready to kick some alpha trash if it means rescuing the woman he loves.

But he'll have to be careful not to be caught, which is difficult when sparks fly from the moment he sees Lily and her beautiful curves again. Now he'll have to fight his way through full blooded alphas with powerful advantages. But Lucas isn't worried.

He may be half alpha, but he's 100% sure he can do anything for the woman he loves.
