The second edition contains expanded and new chapters and also includes the relational leadership model, uses a more global context and examples that relate to a wide variety of disciplines, contains a new section which emphasizes ways to work to accomplish change, and concludes with concrete strategies for activism.

Praise for the First Edition

"My students have been searching for a leadership book that they don't have to translate to their experiences. At last, here is a book that integrates cutting-edge ideas of leadership with examples and stories from college students."

—Kathleen E. Allen, senior fellow, Academy of Leadership at the University of Maryland

"As a long-time teacher of leadership courses, I know that my students will resonate with *Exploring Leadership*. The book presents a well-developed analysis of both the 'how' and the 'why' of leadership as a relational process and also challenges student readers to think about how they might practice leadership throughout their lives."

—Sara A. Boatman, vice president for student affairs, Nebraska Wesleyan University
