### Grey's Awakening (Cabin Fever) By Cameron Dane

Greyson Cole needs to get out of Raleigh. Everywhere he turns, he sees people falling in love, getting married, and starting families. And for a cynic like Grey, one more employee getting engaged signals the need for a long overdue vacation. Grey owns a cabin in the mountains he has never even used, and he figures that's just the ticket out of this nightmare of happily paired up couples. Grey doesn't expect to be greeted by a belligerent, half-naked man the minute he opens his cabin door. Sirius Wilder has known Grey's twin sister for years, and she has given him permission to stay in the cabin while his residence across the lake is under repair. Sirius has never met Greyson Cole before, but he is thankful when the man lets him share the cabin for a few days. There is plenty enough room for them each to keep to themselves. Sirius has had his heart broken and isn't interested in a hook-up, let alone something more. Even so, Grey is, hands-down, one of the sexiest men Sirius has ever seen. As for Grey, the roughly masculine Sirius puts Grey's celibacy pact in serious jeopardy. Two weeks. Two hard men. Both running like hell from love. Look out. Something's gotta give. --

CONTENT NOTE: This is an erotic romance novel and contains explicit sexual scenes of male/male loving, including use of toys. (Book Two of the Cabin Fever series, but can be read as a stand alone title)
