Proposition - Complete Series By Alexis Blake

'Katie Miller never expected the proposition that puts her love life on a collision course with her past, that has her up against a wall, tied up and bound to the desires of the man that got away...'

Samuel Benedict has been gone for 10 years. But now he is back and Katie's never forgotten the boy she grew up with—the only boy who had ever captured her heart as well as her other secret desires. This Samuel is different from the person she knew ten years ago - now a devastatingly handsome man with a forceful yet mysterious demeanor that oozes sex appeal - he is determined to get Katie back in his life, at any cost. But is it possible that he wants more than what they had a decade ago? Will they be able to remain just friends, or is the desire for something more too intense for either of them to resist?

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
