Stepbrother Alpha's Baby By Lauren Landish

I've always had a crush on my ridiculously handsome stepbrother Stefan. For years, he's always been there, at my side. We've played together, laughed together and even cried together. But then our relationship turned really weird.

Anytime he was near, I found myself filled with sinful thoughts, and when he touched me, it felt like I would burst into flames. Soon, just being in his presence became too much to bear. I started avoiding him at all costs, and when I did encounter Stefan, I would act like a cold-hearted bitch to him so he would never suspect my true feelings.

But sometimes, the things you hide have a way of coming to light...when you least expect them.
