Editorial Review

Review

Harvard Divinity School Bulletin

"To recommend this little exercise as a thin book to put in the pocket of the beginner is not enough. The more seasoned theologian will return to it, and it will touch the pastor who has long since left the halls of theological learning."

From the Back Cover

Since its first appearance in English translation in 1962, this little book has achieved near-classic status. Thousands of beginning theological students have had the opportunity to eavesdrop, as it were, on the opening lecture of a theological seminar by one of the twentieth century's leading Christian thinkers.

About the Author

(1908-1986) He was an internationally known theologian and pastor who served as professor of systematic theology at the University of Hamburg in Germany.
