**A British commando and a Wall Street lawyer team up to avenge the murders of their loved ones at the hands of a grisly international drug conspiracy**

Sean Egan and Sarah Talbot are united by tragedy when his sister and her son are both murdered, their corpses used to smuggle heroin by members of Europe's bloodiest drug ring. Now Egan, an Irish-born British Special Forces operative, and Talbot, a well-connected Wall Street lawyer, will stop at nothing to bring the murderers to justice. Their mission takes them through London, Paris, Sicily, and Ireland as they're trailed by a brutally efficient hit man bent on thwarting their every move, all leading up to a final deadly showdown on the darkened streets of London that will change Egan's and Talbot's lives forever.
