**Crave (Bonds Book 1)** By Sierra Cartwright

**FROM #1 INTERNATIONAL BESTSELLING AUTHOR SIERRA CARTWRIGHT**

*'A hot exciting read and quite the page-turner' ~ The Jeep Diva*

*'Flawless, classy and evocative' ~ Totally Booked Reviews*

*'As in all of Ms. Cartwright's novels, the BDSM scenes and sex are extraordinary, but there is more. The author not only sucked me into the BDSM lifestyle once more, she sucked me into a new world: the world of Sarah and Reece, of luxury and decadence, of heartbreak and love.'* ~ Long and Short Reviews

**Book one in the Bonds series.**

*She still craved him... The sight of a collar in her boyfriend's drawer had stunned Sarah. Panicking, she had fled. But no other man has ever been his equal.*

Two years ago, the woman he'd hoped to collar and marry disappeared. So Reece McRae is stunned to find his former girlfriend on her knees, behaving as the submissive he'd always wanted.

Is it too late? He should refuse her, but an undeniable sexual attraction consumes him.

Sarah had been under Reece's spell from the moment she met him. When she found a steel collar in his drawer, she panicked. The idea of a lifetime of his relentless demands, sensual and otherwise, suffocated her.

In the years they've been apart, she hasn't met his equal. Now, convinced one last night will vanquish his memory, she sets out to seduce him.

The Reece she returns to is even more determined to have his way. Is she now strong enough, brave enough, to surrender to his love?

### Editorial Review

#### About the Author

INTERNATIONAL BEST SELLING AUTHOR Sierra Cartwright was born in Manchester, England and raised in Colorado. Moving to the United States was nothing like her young imagination had concocted. She expected to see cowboys everywhere, and a covered wagon or two would have been really nice! Now she writes novels as untamed as the Rockies, while spending a fair amount of time in Texas...where, it turns out, the Texas Rangers law officers don't ride horses to roundup the bad guys, or have six-shooters strapped to their sexy thighs as she expected. And she's yet to see a poster that says Wanted: Dead or Alive. (Can you tell she has a vivid imagination?) Sierra wrote her first book at age nine, a fanfic episode of Star Trek when she was fifteen, and she completed her first romance novel at nineteen. She actually kissed William Shatner (Captain Kirk) on the cheek once, and she says that's her biggest claim to fame. Her adventure through the turmoil of trust has taught her that love is the greatest gift. Like her image of the Old West, her writing is untamed, and nothing is off-limits. She invites you to take a walk on the wild side...but only if you dare.

### Users Review

#### From reader reviews:

##### Genoveva Johnson:

Hey guys, do you really want to find a new book to study? Maybe the book with the name Crave (Bonds Book 1) suitable to you? The particular book was written by well-known writer in this era.
