#### From the Author

Who is the EXTRAORDINARY PSYCHIC of this book? YOU ARE!!!

Intuition is our 6th Sense. What if your whole life people told you that you were blind and had no sight, so you never opened your eyes or tried to look around you? This is how most people are when it comes to their natural psychic abilities.

Many people would love to experience clairvoyant visions that contain useful information for themselves and others, but they haven't got the foggiest idea how to initiate or control this process. Perhaps you experience de ja vu, or know who is going to call when the phone rings, or have dreams that predict the future, or occassionally glimpse auras. Do you know that you have control over this phenomenon? That in a matter of minutes you can dramatically improve your ability to "read the field", to know if someone is lying, to know if you are safe, or if someone has your best interest in mind?

While long-term, indepth and in-person training is a path I fully endorse and offer at the International School of Clairvoyance ([urpsychic.com](http://urpsychic.com)) and is the one that led to the writing of this book, countless readers of my first book, *YOU ARE PSYCHIC*, have demonstrated that such training is not necessary to access and utilize one's clairvoyance. In fact, during a recent expo in Los Angeles, CA at which I conducted a clairvoyant training demonstration, I taught a group of sixty-five people how to perform a clairvoyant reading in less than 45 minutes. They were shocked, and delighted! This book will help readers have similar results.
