Season of Shadow (The Equinox Chronicles Book 1) By Bronwen Carlyle

When 16-year-old foster child Everly Cotton sees the stars of her Georgia sky wiped out, little does she suspect that the darkness is coming for her. Attacked then pursued by creatures of shadow, Everly and her best friend Darrell quickly find themselves entangled in a war between light and darkness. Soon, she must find a way to navigate her newly discovered powers and the knowledge that in a war spanning entire worlds, she may be the most powerful weapon of all.

Pulling from Irish mythology and elements of the Southern Gothic, Season of Shadow immerses readers into a world of bell-fruit and fairies, Children of Eternity and soulless shadows, and lords and ladies of fire. It is a story guaranteed to leave the reader spellbound.

Season of Shadow is a standalone urban fantasy novel, and the first in The Equinox Chronicles series.

Editorial Review

Review

"Carlyle's vivid descriptions of the humid Southern states and the breathtaking Otherworld lead us right into each scene - be it an impossible fight against the shadows, or a tender moment beneath the evening sky . . . This is a spellbinding story that is nearly impossible to put down and leaves us thirsting for the next part of this series. Five stars." -San Francisco Book Review
