Editorial Review

About the Author

Edgar Allan Poe was an American poet, short story writer, playwright, editor, critic, essayist and one of the leaders of the American Romantic Movement. Best known for his tales of the macabre and mystery, Poe was one of the early American practitioners of the short story and a progenitor of detective fiction and crime fiction. He is also credited with contributing to the emergent science fiction genre. Poe died at the age of 40. The cause of his death is undetermined and has been attributed to alcohol, drugs, cholera, rabies, suicide (although likely to be mistaken with his suicide attempt in the previous year), tuberculosis, heart disease, brain congestion and other agents.

Users Review

From reader reviews:

Charles Stephens:

Nowadays reading books be a little more than want or need but also work as a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book that improve your knowledge and information. The data you get based on what kind of publication you read, if you want send more knowledge just go with training books but if you want experience happy read one with theme for entertaining such as comic or novel.
