**Any Witch Way You Can (Wicked Witches of the Midwest Book 1)** By Amanda M. Lee

Bay Winchester is having a tough week.

As the local editor of Hemlock Cove's only newspaper, she just happens to be present when a body is found in an area corn maze. To make matters worse, the police believe the murder may have something to do with the occult.

This wouldn't be a problem for a normal reporter, but since Bay is descended from a well-known line of actual witches, the town is understandably on edge. Between the suspicious townspeople, the befuddled police presence and that random hot biker guy that may or may not have something to do with the murder -- Bay has her hands full.

When you add the typical family problems, multiplying ghosts -- and one monster of a zit that she's sure came from her aunt's curse -- Bay is just struggling to make it through the week.

Of course, when the killer sets his sights on Bay, things could get a whole lot worse.

Note: These books are full of sarcasm and are a little bit snarky -- so read only if you like to laugh and you aren't easily offended. This is the first book in the Wicked Witches of the Midwest mystery series.

## **Editorial Review**

### About the Author

When I was a kid, I was torn between whether or not I was going to grow up and be the Incredible Hulk or Wonder Woman. I flirted with being a Jedi Knight for awhile, but I wasn't up for the intense travel associated with the gig. In my teens, I settled on being a writer -- although I had no idea the effort that would entail. Not only am I a writer now, but I'm a writer in several different mediums. I'm a longtime newspaper reporter, an avid reader and a voracious science fiction fanatic. Like me on Facebook at <https://www.facebook.com/AuthorAmandaMLee> . Follow me on Twitter at @yodaoneforme.

## **Users Review**

### **From reader reviews:**

#### **Chris Gibbons:**

The knowledge that you get from Any Witch Way You Can (Wicked Witches of the Midwest Book 1) may be the more deep you searching the information that hide inside words the more you get considering reading it.
