Brother to a Dragonfly By Will D. Campbell

The author relates two stories: his youth in rural Mississippi and devotion to his brother whose life ended in seeming tragedy, and his ordination at age 17 and gradual realization that civil rights for blacks, women, and gays were an essential part of a ministry that has not yet ended.

Editorial Review

Review

"With pure earthy simplicity, Will Campbell has painted a masterpiece."

- Jessi Coulter and Waylon Jennings

"Will Campbell has a Southern capacity for nostalgia, and evokes it delicately but to strong purpose ... The two brothers' lives become mythic for the reader."

- Robert Coles

"Brother to a Dragonfly is a fascinating mix of memories, vivid anecdotes, poignant stories, and portraits of interesting people....Brother to a Dragonfly has lost none of its zip and bravado over the years. Campbell's memoir is an emotionally charged account of the deep bonds between two brothers and the demons both had to struggle to exorcise. It also presents an idiosyncratic and very needed approach to the spiritual practices of compassion and justice."

- Reviewed by Cultural Information Service

"Evokes Mark Twain ... Part biography, part philosophy, and in all, an anecdotal feast. Brother to a Dragonfly becomes in the reading of it a factor in all our lives."

- Jules Feiffer

"A very well-written, touching book."

- David Halberstam

"Will Campbell's life has been one of helping us lay down the burden of race ... His spirit and his superb writing make Brother to a Dragonfly stand out among memoirs of the Movement."

- Hon. John Lewis

"A fascinating and important book - a biography, it is as compelling as a fine novel, is packed with deep emotional appeals, strong humor, and convincing characterizations, and more than any other single book I know tells what Southern life is like on the rough side, where the lath and plaster have not been smoothed off, including matters of daily bread, race, and the belief in Jesus Christ." - Robert Penn Warren

Users Review

From reader reviews:

Kathy Lloyd:

Information is provisions for individuals to get better life, information nowadays can get by anyone with everywhere. The information can be a expertise or any news even a problem. What people must be consider while those information which is within the former life are challenging to be find than now's taking seriously

which one would work to believe or which one often the resource are convinced. If you get the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Brother to a Dragonfly as the daily resource information.

Joseph Mitchell:

Reading a e-book tends to be new life style on this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can share their idea. Publications can also inspire a lot of people. Many author can inspire their reader with their story or their experience. Not only the story that share in the books. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some analysis before they write for their book. One of them is this Brother to a Dragonfly.

Kelly Mays:

Reading can called thoughts hangout, why? Because when you find yourself reading a book especially book entitled Brother to a Dragonfly the mind will drift away trough every dimension, wandering in every aspect that maybe unfamiliar for but surely might be your mind friends. Imaging each word written in a book then become one type conclusion and explanation that will maybe you never get previous to. The Brother to a Dragonfly giving you an additional experience more than blown away the mind but also giving you useful data for your better life with this era. So now let us show you the relaxing pattern the following is your body and mind will probably be pleased when you are finished looking at it, like winning a game. Do you want to try this extraordinary investing spare time activity?

Danny Padilla:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Brother to a Dragonfly can make you feel more interested to read.
