### Lords of Discipline By Pat Conroy

A novel you will never forget...

This powerful and breathtaking novel is the story of four cadets who have become bloodbrothers. Together they will encounter the hell of hazing and the rabid, raunchy and dangerously secretive atmosphere of an arrogant and proud military institute. They will experience the violence. The passion. The rage. The friendship. The loyalty. The betrayal. Together, they will brace themselves for the brutal transition to manhood... and one will not survive.

With all the dramatic brilliance he brought to *The Great Santini*, Pat Conroy sweeps you into the turbulent world of these four friends -- and draws you deep into the heart of his rebellious hero, Will McLean, an outsider forging his personal code of honor, who falls in love with a whimsical beauty... and who undergoes a transition more remarkable than he ever imagined possible.

### Editorial Review

From Library Journal

For the listener who can persevere beyond the barrage of crude language used by most of the male characters in author Conroy's humane look at life inside a Southern military academy, the producer offers a stunning audio version of a popular work of modern American fiction (published first in 1980). The star of this production is narrator Tom Stechschulte, who provides an amazing array of nuanced voices, even making each of the several native Charleston characters distinctive by his intonation. By turns, Conroy holds up military ideals and savages the often brutal treatment of military school recruits. At once starkly realistic and lyrical, Conroy's diffuse prose ultimately lulls the listener into the rhythms of its episodic tide of plot devices. The sound quality of this unabridged audio book is superb, as is the pacing and cover design. Highly recommended. Mark Pumphrey, Polk Cty. P.L., Columbus, N.C.
