My Soul to Keep (Soul Series) (Volume 1) By Kennedy Ryan

It seems the things worth keeping are often the hardest to hold... KAI I had two things in life that mattered. My mother and my music. Mama was taken from me too soon, and now music is all I have left. It's the thing that's pushed me right out of backwoods Georgia into Los Angeles, where the line between fantasy and reality shimmers and blurs. I'm finally making my way, making my mark. I can't afford to fall for one of music's brightest stars. Not now. Music is all I have left, and I'm holding on tight with both hands. I won't let go, not even for Rhyson Gray. RHYSON I had one thing in my life that mattered – music. The only constant, it's taken me to heights most people only dream about; a gift dropped in my lap at birth. I thought it was enough. I thought it was everything until I met Kai. Now she's all I think about, like a song I can't get out of my head. If I have to chase her, if I have to give up everything - I will. And once she's mine, I won't let go.
