Editorial Review

About the Author

Stephanie Hudson has dreamed of being a writer ever since her obsession with reading books at an early age. What first became a quest to overcome the boundaries set against her in the form of dyslexia has turned into a life's dream. She first started writing in the form of poetry and soon found a taste for horror and romance. Afterlife is the first book in the series of seven, with the story of Keira and Draven becoming ever more complicated in a world that sets them miles apart. When not writing, Stephanie enjoys chatting with her fans and spending time with her friends. Being with her loving family as much as she can including her wonderful daughter Ava and supportive husband and personal muse Blake, who is there for her no matter what. "My Love and devotion is to all of my wonderful fans that keep me going into the wee hours of the night, but foremost to my wonderful daughter Ava...who yes, is named after a Demonic bird." Afterlife Saga is going to be 7 books in total plus spin offs, as some stories are just too big for one book, and at the moment she is working on Book 7 Part 2.
