System Builder, Third Edition By Xuan Nguyen

The System builder is intended as a guide to help an agent through the process of building a sales organization. The personal financial strategy is a customized suitability and needs analysis. The analysis is based upon information obtained from sources believed to be reliable and accurate. While many people have experienced successful careers, this book represents individual member experiences. As each individual differs, so are his/her specific results. Worth ethic patterns, activity levels, and dedication all play significant roles in determining the outcome that one may achieve and in his/her ability to control his/her destiny on an ongoing basis. Xuan Nguyen (author) has been in the financial services industry for 25+ years, and has become one of them most successful entrepreneurs in the financial industry. His team - World System Builder - is the largest organization in World Financial Group. Together with the team, Xuan continues the relentless quest to share the best business opportunity in the world and help families achieve their dreams.
