Tuff Juice: My Journey from the Streets to the NBA By Caron Butler, Steve Springer

Two-time All-Star and thirteen-year NBA veteran Caron Butler has an impressive basketball record. He was Big East Co-Player of the Year at UConn, the 10th overall pick of the 2002 NBA Draft and a key player for the Dallas Mavericks in their championship-winning season in 2011.

But before Butler had a chance to prove himself on the court, he spent his time trying to prove himself on the streets, as a gang member and drug dealer in his hometown of Racine, Wisconsin. He saw friends gunned down in the bloody street wars near his home, was arrested nearly 15 times and wound up behind bars and in solitary confinement before his 15th birthday.

Tuff Juice shares Caron Butler's extraordinary journey from his delinquent youth in the streets of Racine to his role as an accomplished pro basketball player, dedicated husband and father, active philanthropist and burgeoning businessman. Along the way, the book explores the incredible impact his single mother's unconditional love and his college coach's unwavering support had on him, and what drives him to be so successful in basketball and in life.

Like The Blind Side, it's a gripping narrative filled with hubris, dangerous obstacles and heartwarming moments that transcend sports and speak to perseverance, hope and the triumph of the human spirit.

Editorial Review

Review

“Caron is an unbelievable role model, someone who got into trouble when he was young, then turned his life around and set a shining example for others. Everybody who meets him, myself included, walks away in awe. When he was traded from the Heat, I felt like I was losing a brother. Young kids who read this book will learn that, though they will make mistakes in life, the most important thing is how they respond to their troubles. Caron responded in a manner that inspires all who know him.”

—Dwyane Wade, guard for the Miami Heat

“This story is as good, as dramatic, and as inspirational as any I’ve dealt with in my professional career. Caron Butler should be applauded for turning his life around, for morphing into a role model, and for sharing his story so that others might learn from his example. This is not a basketball book as much as it is a book about life, a life of transformation and redemption.”

—Mark Wahlberg, Producer/Actor

“Caron Butler was one of the greatest players who ever wore a Heat uniform. Had we not needed to include him in a deal to get Shaquille O’Neal, Caron would have been here for the rest of his career. We considered him that good, someone who had Heat DNA, the qualities we always look for: great integrity, character and toughness, an ultra-competitor. It was very sad for me to see Caron go, but it’s made me very happy to know that he has written a book and wanted his old coach to be included in it.”

—Pat Riley, former coach and current President of Basketball Operations for the Miami Heat

If America loves redeemed bad guys with skills, this blood-and-guts memoir by NBA basketball star Butler should satisfy that appetite for granting second chances. Supported by a glowing foreword by L.A. Lakers legend Kobe Bryant, the Racine, Wis. native shares his journey from the glittering night of the 2002 NBA Draft and his selection as the overall 10th pick by the Miami Heat to flashbacks of his youthful drug dealing, shootouts, numerous arrests, and harsh confinement. Butler puts family first with a strong, affirming narrative about his clan’s Mississippi roots to his mother’s unrelenting support and his sport mentors fighting for his dream of pro ball. . . .Butler’s sports memoir. . . .provides a bold, candid opportunity to appreciate a talented, complicated athlete. (*Publishers Weekly*)

About the Author

Caron Butler is a veteran NBA All-Star and a dedicated member of the community. He is extremely active with organizations that specialize in youth outreach, especially in his hometown of Racine, Wisconsin. In addition to his extensive philanthropy Butler is also a burgeoning businessman with plans to own an NBA team in the future. He lives in Beverly Hills, California.

Users Review

From reader reviews:

Mollie Walker:

What do you with regards to book? It is not important together with you? Or just adding material if you want something to explain what yours problem? How about your time? Or are you busy person? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every person has many questions above. They need to answer that question simply because just their can do that. It said that about e-book. Book is familiar in each person. Yes, it is appropriate. Because start from on guardería until university need this kind of Tuff Juice: My Journey from the Streets to the NBA to read.

Thomas Murray:

Exactly why? Because this Tuff Juice: My Journey from the Streets to the NBA is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will zap you with the secret the item inside. Reading this book close to it was fantastic author who all write the book in such amazing way makes the content on the inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of advantages than the other book have got such as help improving your ability and your critical thinking technique. So , still want to postpone having that book? If I ended up you I will go to the publication store hurriedly.

Lily McDermott:

Tuff Juice: My Journey from the Streets to the NBA can be one of your nice books that are good idea. Most of us recommend that straight away because this guide has good vocabulary that may increase your knowledge in terminology, easy to understand, bit entertaining but delivering the information. The author giving his/her effort that will put every word into enjoyment arrangement in writing Tuff Juice: My Journey from the Streets to the NBA although doesn't forget the main stage, giving the reader the hottest and also based confirm resource information that maybe you can be considered one of it. This great information can drawn you into new stage of crucial thinking.

Elizabeth Maez:

Are you kind of occupied person, only have 10 or maybe 15 minute in your morning to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your short period of time to read it because pretty much everything time you only find reserve that need more time to be learn. Tuff Juice: My Journey from the Streets to the NBA can be your answer given it can be read by a person who have those short extra time problems.
