Interpretation of Dreams: Oneirocritica By Artemidorus

Oneirocritica is the most comprehensive, the most sought after and the most quoted book on dream interpretation, to have been written from antiquity to present times. This is more than an elaborate dream dictionary. Artemidorus, a 2nd Century AD professional dream-interpreter, tried to impart to his son, and thus to anyone reading this book today, the basic principles he followed, to reveal the dreamer's psyche and maybe future. Artemidorus writes: "I have not relied upon conjectures here, nor have I constructed a system of probabilities. My writing is based on personal experience. I myself have observed, in each occasion, how these dreams have come true."
