Rereading Aristotle's Rhetoric From Southern Illinois University Press

In this collection edited by Alan G. Gross and Arthur E. Walzer, scholars in communication, rhetoric and composition, and philosophy seek to “reread” Aristotle’s *Rhetoric* from a purely rhetorical perspective. So important do these contributors find the *Rhetoric*, in fact, that a core tenet in this book is that “all subsequent rhetorical theory is but a series of responses to issues raised by the central work.”

The essays reflect on questions basic to rhetoric as a humanistic discipline. Some explore the ways in which the *Rhetoric* explicates the nature of the art of rhetoric, noting that on this issue, the tensions within the *Rhetoric* often provide a direct passageway into our own conflicts.

Editorial Review

Review

“[These essays are] notable for their command of the relevant issues, problems, and possibilities attending Aristotelian scholarship. [Their] chief strength rests in the multiple perspectives and voices brought to bear on a single text; and it is clear not only that the text can assume such weight, but that these rereadings in turn help enrich and complicate our understanding of the *Rhetoric*. . . . [T]he book makes a solid claim to staking out new territory for the study of Aristotle.”—**Stephen Browne**, author of *Edmund Burke and the Discourse of Virtue*

About the Author

Alan G. Gross is a professor of rhetoric at the University of Minnesota-Twin Cities. He is the author of *The Rhetoric of Science* and the senior editor of *Rhetorical Hermeneutics: Invention and Interpretation in the Age of Science*.

Arthur E. Walzer is an associate professor in the Department of Rhetoric at the University of Minnesota.

Users Review

From reader reviews:

Sylvia Harrington:
