### Sophie's Choice By Sara Allen

Who says love can't last forever? Sophie Morrison is a girl with a big heart and even bigger ambitions. She never lets anyone get away with making her feel she has something to prove. Sophie is hard on herself and everyone else, and she isn't prepared to let just anyone in her life unless they are equally prepared to fight for her. Cameron is in love, but the object of his desire doesn't know it. He tries to play it cool. With a little of his Taylor charm, he thinks he's got her where he wants her, but Sophie isn't so easy to handle, and he knows it. So, when Cameron lets her down, she cuts him off, without a second thought and leaves him stunned and kicking himself, because if anyone should know Sophie Morrison, it should be him. After all, her qualities are what made him fall for her in the first place. He's going to use all his charm and determination to get the results he wants, and nothing less than Sophie will do. It's taken more years than Cameron wants to think about to get Sophie where he wants her. Can he turn her loathe into like and hate into love?

## **Editorial Review**

### About the Author

I was born in London in the mid 1960's to my parents who immigrated to London from Portland in Jamaica. The late 1960's and 1970's were a time of much change and I grew up understanding that determination was the key. To never let someone say, "You can't" without giving my all. This determination to prove people wrong about where I was going led me to obtain a degree in The History of Art, from SOAS, University of London at the ripe age of thirty-four, while having two young children to care for and while being a single parent. I now have four further children along with a long suffering husband, as well as and me and my brood live happily, while I do a multitude of things, from teach, write, read profusely and knit and sew on occasion. My love is art, especially painting and calligraphy, but I never give away anything I have done, so my home looks like a mini art gallery. I have lived in a number of cities, while teaching and encouraging others to never give up their dreams.
