Batman (2011-2016) Vol. 9: Bloom By Scott Snyder

Scott Snyder and Greg Capullo conclude their #1 NEW YORK TIMES best-selling, critically acclaimed saga.

BATMAN RETURNS?

Bruce Wayne has a nearly perfect life. He's in love with an amazing woman and works by her side every day at one of Gotham's youth centers, helping the children of the city he loves. His memory has been patchy ever since he nearly died in the last Joker attack, but even so, he's confident that this is the happiest he's ever been.

And yet...he sometimes feels himself being tugged back to another life. In the negative space of his missing past is a half-remembered history, filled with violence and darkness, but also greatness.

The Batman is calling Bruce back. But if he returns to his past, what will become of the perfect, happy life he has built?

Scott Snyder and Greg Capullo's character-defining run on the Dark Knight demonstrates why Batman truly is forever. Collects BATMAN #46-50, as well as a short story from DETECTIVE COMICS #27.

Editorial Review

Review

Praise for BATMAN VOL. 7: ENDGAME:

"ENDGAME: their biggest story line in terms of cast and scope during the duo's classic four-year run on the series and one designed to celebrate the character's 75th anniversary."--USA TODAY

"ENDGAME, as with all of Snyder's run of Batman so far, is a story that simply should not be missed. Snyder's themes are boldly stated yet again with an intent to add even more to the Batman mythos."--IGN

"ENDGAME hits the ground with a dynamic explosion, letting readers know right away that this saga is going to be every bit as dynamic as "Court of Owls," "Death of the Family" or "Zero Year." I'm all in, especially since every single contributor on this book brings their absolute best."--CBR

"Scott Snyder and Greg Capullo start their new arc with a bang, as a Batman fights against the biggest, most indomitable foes he's ever seen."--NEWSARAMA

About the Author

Scott Snyder is a #1 *New York Times* best-selling writer and one of the most critically acclaimed scribes in all of comics. His works include BATMAN, BATMAN: ETERNAL, SUPERMAN UNCHAINED, AMERICAN VAMPIRE and SWAMP THING.
