Blackmail Boyfriend (Boyfriend Chronicles) By Chris Cannon

Disclaimer: This Entangled Teen Crush book contains one epic misunderstanding, two best friends' flirtation on the side, and three-legged dogs. **Warning:** do not try this blackmail at home.

Haley Patterson has had a crush on golden boy Bryce Colton for ages. But when she hears a rumor that he hooked up with *her* she gives him a choice: be her boyfriend for a month to show other guys that she's dateable-despite her overprotective and very intimidating brothers-or deal with the angry, cage-fighting boyfriend of the girl he actually *did* hook up with.

Bryce didn't know the *other* Haley even had a boyfriend. He was just trying to get his ex off his back. And now, not only is he being blackmailed, he's being blackmailed by an *honor student*. His new "girlfriend" has two three-legged dogs, her father mows grass at the country club, and she's...well, difficult. And different.

Can something so fake turn into something real?

- 5 Stars: "Have I told you how much I love reading Chris Cannon?! Not only does she write about dragons, but this book Blackmail Boyfriend, is probably the sweetest book that I have read in a while! I couldn't put this book down. Once I started it, it was very difficult to stop. I was at a book convention, and sat in my hotel room reading this book. Most would think "that's pretty lame" but this book is that good." -**Kelly Mccurdy**
- 4 Stars: "If you're in the mood for a quick, fun, light romance then this is the book for you! With great characters, fantastic writing and a good pace, this is a book that you'll pick up and want to continue reading until you're done. The plot here is not complicated...two people who are very different from each other are thrown together by circumstance and find that they can use the situation to make their lives better. What they don't realize right away is that they can be so much more for each other. And I, for one, enjoyed watching them discover this little fact." - **BookHookup**

- 4 Star: "Blackmail Boyfriend is a cute and clean YA contemporary romance. It's short, funny and most definitely sweet - this was what I needed after reading so many angst ridden stories recently".- **Zili**
