Bound & Gagged For Two On Her Wedding Night (BDSM Menage Erotica)

By Noel Red

Brittany Hayes was raised right, and in her small town that meant going to church every Sunday and saving herself for her wedding night.

Hunter Martin swept her off her feet at a college party, but never pushed her too far from her convictions.

They had a storybook romance but now the fabled **first night** is here, and Hunter has some naughty surprises **whipped up** for his inexperienced bride. With the wedding out of the way he's ready to **tie her down** in a more literal sense, **and his best man is eager to help.**

Will the desires of **two controlling men** in the bedroom make this southern flower wilt during her very first night? Or will their **rough domination** unleash her inner desires?
