### Hope Harbor: A Novel By Irene Hannon

Tracy Campbell never wanted to leave Hope Harbor, Oregon, or the idyllic three-generation cranberry farm where she grew up. But life--and love--altered her plans. When tragedy strikes and changes her plans yet again, she finds herself back in her hometown with a floundering farm to run and a heartbreaking secret. Romance is *not* on her agenda. Nor is it on Michael Hunter's. The visitor from Chicago has daunting secrets of his own. But when Tracy recruits him to help save a struggling charitable organization, the winds of change begin to sweep through Hope Harbor, bringing healing, hope, and love to countless lives--including their own.

Fan favorite Irene Hannon brings a whole new cast of characters to life in a charming Oregon seaside village. Emotional and heartwarming, this story invites readers to come home to Hope Harbor, where love and hope bloom--and hearts heal.
