### Mr. Monster (John Cleaver) By Dan Wells

*I killed a demon. I don't know if it was really, technically a demon, but I do know that he was some kind of monster, with fangs and claws and the whole bit, and he killed a lot of people. So I killed him. I think it was the right thing to do. At least the killing stopped.*

*Well, it stopped for a while.*

In *I Am Not a Serial Killer*, John Wayne Cleaver saved his town from a murderer even more appalling than the serial killers he obsessively studies.

But it turns out even demons have friends, and the disappearance of one has brought another to Clayton County. Soon there are new victims for John to work on at the mortuary and a new mystery to solve. But John has tasted death, and the dark nature he used as a weapon---the terrifying persona he calls "Mr. Monster"--might now be using him.

No one in Clayton is safe unless John can vanquish two nightmarish adversaries: the unknown demon he must hunt and the inner demon he can never escape.

In this sequel to his brilliant debut, Dan Wells ups the ante with a thriller that is just as gripping and even more intense. He apologizes in advance for the nightmares.

## Editorial Review

From School Library Journal

Gr 10 Up—This follow-up to Wells's *I Am Not a Serial Killer* (Tor, 2010) revisits Clayton County and its resident teenaged sociopath, John Wayne Cleaver, who in the earlier book saved his town from the vicious “Clayton Killer.” Only John's mortician mother knows the disturbing circumstances surrounding the ultimate demise of Mr. Crowley, serial killer and demon, at the hands of her son. Unfortunately, John's involvement jump-started an already-urgent desire to kill. In a valiant attempt at normalcy, he is able to keep it at bay with strict personal rules and pyromania as a release. But now “Mr. Monster” has tasted blood and wants more. New bodies, brutally tortured, turn up courtesy of Clayton's latest supernatural serial killer, who is curious about fellow demon Crowley's fate. Will “Mr. Monster” be satisfied if John defeats this mysterious new demon? Or will both demon and bloodlust destroy John just when he's managed something akin to a social life? Wells's grisly and cleverly narrated sequel explains just enough for new readers to jump right in, but fans will likely search out the first book and anticipate the third. Intelligent, self-aware, observant, John is a unique protagonist who inspires fear or sympathy at any given moment. His battle for control over his own violent nature manages to trump the external demon dangers, which—in this compelling, quick-paced, and chilling read—is a definite feat.—Danielle Serra, Cliffside Park Public Library, NJ(c) Copyright 2010. ## Review

“An intense, riveting, gut-wrenching dive into the dark world of the demons within us. Let your own inner monster free and immerse yourself in this dark, page-turning adventure.” *Elitist Book Reviews on I Am Not a Serial Killer*

“This dazzling, unputdownable debut novel proves beyond a doubt that Dan Wells has the gift. His teenage protagonist is as chilling as he is endearing. More John Wayne Cleaver, please.” *F. Paul Wilson on I Am Not a Serial Killer*

## About the Author

**Dan Wells** is the author of *I Am Not a Serial Killer* and *I Don't Want to Kill You*. He lives in Orem, Utah, with his wife, Dawn, and four young children.
