Pinnacle Studio 17 Plus and Ultimate Revealed By Jeff Naylor

Learn to edit your videos using Pinnacle Studio 17 Plus and Ultimate. This book works as both a set of tutorials and a manual, with comprehensive Contents and Index sections. It shows you how to get the best out of the program, suggests workflows and provides troubleshooting techniques. Beginning with some basic principles, you can then get started with the sample footage that comes with the program. Learn the basics of editing and how to use audio and multiple tracks. Studio's Smart editing rules are then explained. For more advanced techniques, download raw material (or have it sent to you on DVD) and make projects that teach you to harness the full power of multi-track editing, transitions and effects. Subjects covered include working with photos, keyframing, creating titles and menus, Importing and Exporting and the all-important subject of keeping your complex movies in sync as you edit. Developed with feedback from three previous books in the series, the text and illustrations have been fully revised for Studio 17 Plus and Ultimate users.
