Sherlock Holmes Handbook: Second Edition By Christopher Redmond

Sherlock Holmes Handbook sums up a Canadian scholar's lifetime expertise about Sherlock Holmes – the characters and themes, the publishers and readers, Victorian London and the Houdini connection, radio actors and cartoonists, the fans who cling to Holmes's reality and the professors who tease out motifs from the fifty-six short stories and four novels.

The first edition of *Sherlock Holmes Handbook* appeared in 1993. This edition catches up on new films, new books (a few with a hint of the supernatural) and the advent of the Internet, which has spread Holmes's fame and Sherlockian fun even further worldwide. The intervening years have brought three multi-volume editions of the Sherlock Holmes stories, with hundreds of footnotes providing new insights and new amusement. They have also seen Holmes repeatedly on the amateur and professional stages, including a few Canadian productions. And there have been changes to everything from copyright rules to libraries, booksellers and audio recordings.

Editorial Review

From Publishers Weekly

Canadian author Redmond's unquestioned standing as a Sherlock Holmes expert, manifested in books such as *In Bed with Sherlock Holmes* and *Welcome to America, Mr. Sherlock Holmes*, is not displayed to best advantage in this updated edition of his guide to the Great Detective. He simply doesn't meet his goal of writing a comprehensive companion to the original stories and the cultural world that has grown up around them that will satisfy both neophytes and cognoscenti. Instead, both kinds of readers are likely to be disappointed. Only 25 pages are spent summarizing the Canon, in some cases spoiling the plots, but 40 are devoted to "Fans and Followers," a history of organized devotees of Holmes and Watson. Despite the author's pride in avoiding errors in the first edition, this one is not free of them, including the assertion that a "Merivale" was one of the Scotland Yarders pitted against Holmes by Doyle to the claim that actor Jeremy Brett authored the play he appeared in, *The Secret of Sherlock Holmes*. Those in search of a one-volume guide might want to wait for *Sherlock Holmes for Dummies*.

Review

"...an essential item for any serious Sherlockian. The ordinary Holmes fan may not be interested in the intricacies of the plots of each story, but the chapter on Fans and Followers is wonderful reading for just how the Sherlockian societies (there are hundreds) began and the rules they set. There is a section dealing with serious academic studies of Holmes, as well as Conan Doyle, and plenty useful information and fun trivia on the Victorian setting. Redmond, as befits a serious Sherlockian, puts this all down in fine scholarly style."

(Globe & Mail, The)

"The new edition...is the finest overview of the world of Holmes and the Holmesian that we're ever likely to see."

(The District Messenger)

From the Inside Flap

Here, in one convenient volume, is everything needed for the enjoyment of Holmes's canon.

Users Review

From reader reviews:

Robert Frye:

Here thing why this particular *Sherlock Holmes Handbook: Second Edition* are different and dependable to be yours. First of all reading through a book is good however it depends in the content of computer which is the content is as yummy as food or not. *Sherlock Holmes Handbook: Second Edition* giving you information deeper since different ways, you can find any e-book out there but there is no reserve that similar with *Sherlock Holmes Handbook: Second Edition*. It gives you thrill looking at journey, its open up your own eyes about the thing this happened in the world which is might be can be happened around you. It is possible

to bring everywhere like in playground, café, or even in your means home by train. If you are having difficulties in bringing the imprinted book maybe the form of Sherlock Holmes Handbook: Second Edition in e-book can be your alternate.

Serafina Hayes:

In this time globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of sources to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher that print many kinds of book. Often the book that recommended to you personally is Sherlock Holmes Handbook: Second Edition this publication consist a lot of the information in the condition of this world now. This particular book was represented how do the world has grown up. The dialect styles that writer make usage of to explain it is easy to understand. The particular writer made some analysis when he makes this book. That is why this book appropriate all of you.

Barbara Tucker:

Is it you actually who having spare time and then spend it whole day by simply watching television programs or just lying on the bed? Do you need something totally new? This Sherlock Holmes Handbook: Second Edition can be the response, oh how comes? The new book you know. You are therefore out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?

Colby Tapia:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Sherlock Holmes Handbook: Second Edition can make you really feel more interested to read.
