### Stay With Me By Maya Banks

Getting her back will be the toughest deal they've ever negotiated.

On the night of her fifth anniversary, Catherine Cullen-Wellesley intends to break the news to her two husbands. She's pregnant with their child. It'll be the perfect preamble to the vacation they've promised her: Two weeks on a Jamaican beach. No cell phones, no emails, no business. And she hopes that the news of her pregnancy—plus two weeks of reclaiming the closeness that had always been so much a part of their marriage—will help bridge the ever widening gap in their now distant relationship.

But when Logan and Rhys call off the trip for yet another business emergency—something that's happening with more and more frequency all the time—and absolutely no mention of their anniversary dinner or that they'd stood her up yet again, Catherine faces some difficult truths. She hasn't come first in her busy husbands' lives in a long time. And she deserves better than what she's been getting—or not getting—from the two men who vowed to love her and always put her first. So she packs her bags for her long-awaited vacation—alone. It'll give her a chance to figure out what the hell she's going to do with the rest of her life.

When Logan and Rhys come home to an empty house, they realize two things: One, they've been taking their precious wife for granted for far too long, and they now realize—perhaps too late—that she may well have finally had enough. Two, they're not willing to just let her walk out of their lives without one hell of a fight and the chance to prove to her that nothing is more important to them than her love.

Winning her back will be the most difficult battle of their lives—more important than any business deal they've ever negotiated. One where they could lose everything that ever truly mattered to them. Their wife.?

## **Editorial Review**

### **Users Review**

#### **From reader reviews:**

##### **Mary Richards:**

Book is to be different for every grade. Book for children until finally adult are different content. We all know that that book is very important normally. The book Stay With Me was making you to know about other information and of course you can take more information. It is very advantages for you. The e-book Stay With Me is not only giving you far more new information but also for being your friend when you sense bored. You can spend your own personal spend time to read your book. Try to make relationship together with the book Stay With Me. You never really feel lose out for everything in the event you read some books.

##### **Lisa King:**

Reading a reserve can be one of a lot of action that everyone in the world likes. Do you like reading book thus. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new details. When you read a e-book you will get new information simply because book is one of several ways to share the information or even their idea. Second, examining a book will make a person more imaginative. When you studying a book especially tale fantasy book the author will bring you to definitely imagine the story how the character types do it anything. Third, you may share your knowledge to other individuals. When you read this Stay With Me, you may tells your family, friends in addition to soon about yours book. Your knowledge can inspire the others, make them reading a e-book.

##### **Pamela Dodge:**

You could spend your free time to learn this book this guide. This Stay With Me is simple to develop you can read it in the playground, in the beach, train in addition to soon. If you did not have much space to bring often the printed book, you can buy typically the e-book. It is make you quicker to read it. You can save typically the book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

##### **Arthur Faust:**

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word

says, ways to reach Chinese's country. Therefore , this Stay With Me can make you feel more interested to read.
