**Sugar and Spice: A Selection from Learning to Love** By Debbie Macomber

Librarian Jayne Gilbert needs a man – a man she can bring to her high school reunion. She wants to prove to her former classmates that she isn't the lonely bookworm they predicted she'd become. So, naturally, Jayne turns to a book. It's called *How to Pick Up a Man*. And it works, even if she attracts the attention of good-looking Riley Chambers only because she's carrying that book, not because she followed its advice!
