The History of Chivalry and Armour: With 60 Full-Color Plates (Dover Military History, Weapons, Armor) By F. Kottenkamp

From his earliest years and throughout his training as squire, a young knight was rigorously instructed in the use of arms. Competing in tournaments honed the skills of knights and squires alike, and provided a keen development of military prowess beyond the dangers of the battlefield. As improvements in defensive armour and weaponry were made, the elaborate decoration of arms also flourished. The trials and jousts of the tournament became more than just a stage for combat as the weaponry itself evolved into a stunning art form.

A visual and literary feast, *The History of Chivalry and Armour* is a study of medieval knights in all their grandeur, fully displaying their instruments of siege, ornaments, and entertainments. Reproduced from a rare nineteenth-century masterpiece, here are the origins, codes, and practices of knighthood, alongside magnificent hand-colored engravings of armour, weapons, and the men who bore them. Enjoy breathtaking shields, helmets, and horse coverings. Revel in meticulously rendered lances, spears, and spiked clubs, as well as incredibly engineered mobile siege towers and muskets. The richly decorated equipment used in warfare and jousting shine brightly in this treasury, accompanied by authentic literature from poets and troubadours of the age.

Editorial Review

Users Review

From reader reviews:

Michael Hill:

Book is actually written, printed, or highlighted for everything. You can recognize everything you want by a publication. Book has a different type. To be sure that book is important matter to bring us around the world. Next to that you can your reading ability was fluently. A book The History of Chivalry and Armour: With 60 Full-Color Plates (Dover Military History, Weapons, Armor) will make you to become smarter. You can feel considerably more confidence if you can know about anything. But some of you think which open or reading a book make you bored. It is not necessarily make you fun. Why they are often thought like that? Have you searching for best book or ideal book with you?

Gary Lafountain:

Is it an individual who having spare time then spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This The History of Chivalry and Armour: With 60 Full-Color Plates (Dover Military History, Weapons, Armor) can be the answer, oh how comes? A book you know. You are so out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?

June Slater:

That publication can make you to feel relax. This book The History of Chivalry and Armour: With 60 Full-Color Plates (Dover Military History, Weapons, Armor) was vibrant and of course has pictures around. As we know that book The History of Chivalry and Armour: With 60 Full-Color Plates (Dover Military History, Weapons, Armor) has many kinds or variety. Start from kids until young adults. For example Naruto or Investigator Conan you can read and feel that you are the character on there. Therefore not at all of book are usually make you bored, any it can make you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading that will.

Katie Mueller:

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this

age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The History of Chivalry and Armour: With 60 Full-Color Plates (Dover Military History, Weapons, Armor) can make you feel more interested to read.
